

SENATE BILL SUMMARY

Prepared by the Division of Legislative Information for the Senate Bill **AS ORIGINALLY FILED**. For more detail, see Senate Bill Analyses, if available, prepared by the Senate's professional committee staff.

SB 552 Pancreatic Enzyme Prescription Supplements/ Use by K-12 Students by Senator Wise

Authorizes a K-12 student who has experienced or is at risk for pancreatic insufficiency or who has been diagnosed as having cystic fibrosis to use pancreatic enzyme prescription supplements while in school, participating in school-sponsored activities, or in transit to or from school or school-sponsored activities if the school has been provided with parental and physician authorization. Provides for indemnification of a school district, county health department, public-private partner, and their employees and volunteers for any and all liability with respect to the student's use of the supplements. (See bill for details)
